To Whom It May Concern:

It is with great pleasure that I write this recommendation for soprano Amanda White. Amanda has a beautiful, exciting voice, she is a superb professional performer, confident and communicative, and an excellent musician. She handles her instrument with care and intelligence; there is never a hint of strain or difficulty in her sound. Amanda is a good colleague on-stage and off; she is caring , intelligent and dedicated to her craft.

Amanda would be a tremendous asset to any opera company. I hope you will grant her the opportunity to audition for you at your earliest convenience. Please feel free to contact me directly if you'd like to discuss her abilities in greater detail.

Best regards,
